

STATEMENT OF INTENT

Date: 1 January 2013

HEALTH & SAFETY HS1

It is the policy of Tufflite Civils and Utility Supplies Ltd to do all that is reasonably practicable to establish and maintain high standards of Occupational Safety, Health and Welfare within its organisation so as to reduce risk and eliminate loss to those who use, provide or come into contact with its services.

Every employee is personally responsible and accountable for the successful implementation of this policy.

To fulfil these responsibilities Tufflite Civils and Utility Supplies Ltd , so far as reasonably practicable, will ensure that arrangements are in place for the following:

- The identification and effective management of significant risks associated with Tufflite Civils and Utility Supplies Ltd activities.
- The identification and implementation of safe working practices and safe systems of work.
- The provision of safe plant, equipment and machinery.
- The safe use, handling, storage and transportation of articles and substances.
- The provision of information, training and supervision to enable all employees to perform their duties safely with regard to their own health and safety as well as the safety of others who could be affected by the various activities of Tufflite Civils and Utility Supplies Ltd
- A safe workplace and a safe working environment with adequate welfare facilities.
- The effective monitoring of performance and commitment towards continuous improvement.

Tufflite Civils and Utility Supplies Ltd is committed to these health, safety and welfare arrangements which will be brought to the attention of all interested parties and kept under review to ensure the safe operation of the Company.
